

BHARATH SHA SHER S P

Software Developer | Trainee

Palakkad, Kerala

bharathshasheroofficial@gmail.com | [+91 8590676575](tel:+918590676575) | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Professional Summary

Enthusiastic and motivated Computer Science graduate with a solid understanding of Java programming, JDBC, Hibernate, Spring Framework, and MySQL. Passionate about backend development and building efficient, scalable applications. Strong knowledge of object-oriented programming, database management, and software development principles. Quick learner with excellent analytical and problem-solving skills, eager to contribute to a dynamic development team while continuously expanding technical expertise.

Technical Skills

Programming Languages	: Java, SQL, Python (Basic)
Web Technologies	: HTML5, CSS3, JavaScript, Bootstrap, jQuery, Responsive Design
Database	: MySQL
Tools	: VS Code, Git/GitHub, MySQL Workbench, Eclipse, Postman
Core Concepts	: OOP, DBMS, Core Java, Collections, Exception Handling, Multithreading
Java APIs	: JDBC, Servlets, AWT
Frameworks	: Hibernate, Spring ,SpringBoot
Generative AI	: ChatGPT, GitHub Copilot,Claude, Prompt Engineering
Methodologies	: Agile, Scrum

Soft Skills

- Communication
- Quick Learner
- Active Listening
- Creative Thinking
- Adaptability
- Time Management
- Conflict Resolution

Professional Experience

JAVA FullStack Developer Intern

Present

Quest Innovative Solutions, Calicut

- Designed and implemented web applications and responsive websites using **Java Servlets, JDBC, MySQL, HTML, CSS, Bootstrap, and JavaScript**.
- Developed a **Student Management System** with CRUD functionality (Add, View, Update, Delete) ensuring seamless database connectivity and error handling.
- Built a **personal portfolio website** with responsive UI and integrated **EmailJS contact form** to showcase projects and enable direct communication.
- Created a **responsive e-commerce platform (Redstore)** featuring product catalog, shopping cart, and check-out modules with product filtering and cart management.
- Collaborated on clean code practices, version control with **Git/GitHub**, and deployment using **Apache Tomcat** and **Netlify**.

Projects

Student Management System

2026

github.com/B-12312/Student_Management_System

- Developed a CRUD-based web application using Java Servlets and MySQL to manage student records (add, update, view, delete).
- Demo: Add students via form, view all records in a table, update details, and delete entries with one click.
- Modules: Add Student, View Students, Update Student, Delete Student.
- Features: Servlet-based architecture, JDBC database connectivity, error handling, clean HTML forms, redirect workflow.
- Technologies: Java Servlets, JDBC, MySQL, HTML/CSS, Apache Tomcat, Git/GitHub.

Website Portfolio	2026
bharath-website-portfolio.netlify.app	
• Personal portfolio with responsive UI and EmailJS contact form. • Demo: Interactive sections showcasing projects and contact form submission. • Features: Responsive design, project showcase, integrated contact form. • Technologies: HTML5, CSS3, Bootstrap, JavaScript.	
Redstore E-Commerce Website	2025
red-store-bharath.netlify.app	
• Responsive e-commerce website with product listing, cart, and checkout. • Demo: Browse products, add to cart, proceed to checkout. • Modules: Product Catalog, Shopping Cart, Checkout. • Features: Responsive layout, product filtering, cart management. • Technologies: HTML, CSS, JavaScript.	
Air Writing Project	2026
github.com/B-12312/Air-Writing	
• Developed a Python-based GUI application using Tkinter and Pillow (PIL) to recognize and process air-written gestures. • Demo: Users interact with a Tkinter window, capture gestures, and process them for recognition and visualization. • Modules: GUI setup, Image handling, Event triggers, Gesture recognition logic. • Features: Tkinter interface, PIL image rendering, system integration (os, subprocess, webbrowser), error handling, and interactive workflow. • Technologies: Python, Tkinter, Pillow (PIL), OS/Subprocess, Git/GitHub.	

Education

Bachelor of Computer Applications (BCA)	2025
AJK College of Arts and Science, Coimbatore	
CGPA: 7.198	
Higher Secondary (Computer Science)	2022
K H S S Kannadi	
Score: 77.08%	
SSLC	2020
SMM HSS Pazhambalacode	
Score: 95.56%	

Certifications

• IBM Cloud Fundamentals	2024
• Oracle Cloud Infrastructure	2024

Achievements

- Participated in Open AI workshop organized by Department of Computer Science.
- Attended hands-on session on Emerging IT Trends in Full Stack Development.
- Participated in Alumni Talk on Agile & Scrum Project Management.
